

**The Red Cross says the situation in our hospitals is a humanitarian crisis!**

**The Royal College of Physicians says the NHS is 'underfunded, underdoctored and overstretched'**

- We spend less on health than most European countries
- Have fewer hospital beds per 1,000 people: UK-2.8 France-6.2 Germany-8.3
- Have fewer doctors per 1,000 people. UK-2.8 Spain-3.8 Germany-4.1

### **The Government is destroying our NHS by**

**Starving it of funds** £20bn slashed, £22bn more cuts coming wrapped in Sustainability & Transformation Plans

**Closing one third of A&Es** shutting wards, shrinking hospitals

**Attacking junior docs,** blaming GPs, scrapping nurse training bursaries

**Privatising health services,** wasting £billions on outsourcing, management consultants and racketeering PFI debts

**Councillors, MPs and Ministers must reject Sustainability & Transformation Plans, end cuts and closures and insist that our NHS is fully funded.**

**Stop privatisation and restore our publicly funded, publicly provided NHS!**
